"...I know the blasphemy of them which say they are Jews and are not, but are the synagogue of Satan."

Jesus Christ
The King of the REAL JEWS

I was once asked, "If you had a chance to warn Your Christian Brethren about only one thing, what would it be?" I replied, Hmmm, well it wouldn't be about getting 666 stamped on my forehead!" After serious reflection I decided on what you are about to read next.

Nearly six thousand years have past since man as placed in the Garden close to the northern tip of the Persian Gulf. There, man first met with the archenemy of God. This first encounter came close to sealing all generations in universal servitude to the 'Father of Lies'.

Today, located some 670 statute miles West of this original site, in Jerusalem, we see Satan's agency systematically carrying out plans laid down by it's master back there in the Garden of Eden. These plans are aimed at the destruction of the Kingdom of God and total enslavement of the world. Though the attempt at Calvary failed miserably, these agents have not given up their master's goal of a one-world Babylonish Millennium which would spell total economic, political and religious domination of God's children, which make up the true Israel, not to mention four billion others that have no knowledge of God at all. It won't take a genius or a scholar to find out the facts in this matter, but it will only be done by those who can and do read in this illiterate age, and can still think independently.... and who have a God given propensity to seek the truth.

I am a Christian. I will admit, this doesn't mean much in the eyes of a world which sees economic, political and religious events only through the 'Blue Blockers' of a 'Jewish controlled media' [*Billy Graham to Richard Nixon - 1988*]. Yes, I know that by now you may have already said to yourself... "Oh NOOooo, not another anti-Semitist looking to a scapegoat for the world's ills." Well if you feel that way, I strongly urge you to discard this work quickly so you don't catch some dark gooey disease or spiritual curse form an irate god who allegedly condones everything these "Angels of Light" have done since their demise as a nation in 70 AD.. Relax, I'm one of those hard nosed Christians who actually believes that there are some absolutes left in the world and who is not only dogmatic but thinks that a dogmatist and authentic Jew like the Apostle Paul is good company. He liked to stick to the facts and appeal to reason in order to prove his point! Maybe you are like this too.

I know that the Lord Jesus Christ does not need me to corroborate His statement in Rev. 2:9 and 3:9, but if you stay with me for a while you will understand why I feel compelled to warn the sheep of His pasture.

First, I would like to substantiate the fact that all of us have been conditioned to view the so-called World Jewish Community as a kind of 'homogenous-historical-body-of-predestinated-genetic-matter' that are saved by 'race' and not by Grace and will one day usher in God's thousand year Valhalla, and that we, their little 'Judeo-Christian' cousins will be second only to them as they graciously carry on the administration for a messiah who will be preoccupied conducting animal sacrifices in a newly rebuilt temple that sits upon the

foundations of the old temple. I would hate to sound sarcastic here (as the Apostle Paul did so often) but there are a lot of Christians out there who have imbibed this line of absolute fiction which is arrived at by the conjugation of non-contextual verses that only a 5th grader would be willing to cram together. [see: Philip Mauro – “**The Gospel of the Kingdom**” circa 1927 – in any search engine on the internet, for an understanding of end time events and how the Schofield Bible notes lie to Fundamentalists].

The fact is that the historic body of divinity did not hold to this theological fantasy until such dubious scholars as Cyrus Ingerson Scofield gave the world his version of the Bible. [See addendum to this article]. Even the ancient ‘Chiliasm’^[1] could not see the Jews ruling with the cataclysm at Jerusalem, which Josephus recorded, so fresh in their memory.

So far, I have used the terms “real Jews” and “true Israel”. I believe that the Revelation is dealing with things future right? “...*which say they are Jews, and are not, but are the synagogue of Satan.*” Could this phrase refer to people in some future time who will claim to be Jews when they are actually Gentiles? I’m going to show you something that will probably shock you, I know it did me. First however, I will show three new words that some very influential people in the world today, do not want you to know.

They are:

1. **Ashk'naz** (ash'.ken.noz); Ashkenazi; Ashkenazim an ancient capitol city of the Khazar.
2. **Khazar** (kay.zar'); Khazars; Khazaria an ancient empire in Eastern Europe from 500 A.D. to 1000 A.D.
3. **Sepharad** (sef.far.rad); Sephardic; Sephardim the area in ancient times from Spain to Asia Minor.

Yes, I know, I am asking you to stop and think... remember, facts and reason were Paul’s method. Now I will give you some information on the above terminology from both modern Gentile sources and modern Jewish sources.

Encyclopedia Americana (1985) “Khazar, an ancient Turkic-speaking people who ruled a large and powerful state in the steppes North of the Caucasus Mountains from the 7th century to their demise in the mid-11th century A.D... In the 8th century it’s political and religious head.... As well as the greater part of the nobility, abandoned paganism and converted to Judaism... (The Khazars are believed to be the ancestors of many Russian and Eastern European Jews.)”

Encyclopedia Britannica (15th edition) “Khazars, confederation of Turkic and Iranian tribes that established a major commercial empire in the

second half of the 6th century, covering the southeastern section of modern European Russia... in the middle of the 8th century the ruling classes adopted Judaism as their religion.”

Academic American Encyclopedia (1985) “Ashkenazim, the Ashkenazim are the Jews whose ancestors lived in German lands... It was among Ashkenazi Jews that the idea of political Zionism emerged, leading ultimately to the establishment of the state of Israel... In the late 1960’s, Ashkenazi Jews numbered some 11 million, about 84 percent of the world Jewish population.”

The Jewish Encyclopedia “Khazars, *a non-Semitic*, Asiatic, Mongolian tribal nation who emigrated into Eastern Europe about the first century, who were converted as an entire nation to Judaism in the seventh century, who were conquered in the eleventh century by the expanding Russian nation which absorbed the entire Khazar population, and who account for the presence in Eastern Europe of the great numbers of Yiddish-speaking Jews in Russia, Poland, Lithuania, Galatia, Bessarabia^[2] and Rumania.

The Encyclopedia Judaica (1972) “Kahzars, a national group of general Turkic type, independent and sovereign in Eastern Europe between the seventh and tenth centuries C.E. During part of this time the leading Khazars professed Judaism... In spite of the negligible information of an archaeological nature, the presence of Jewish groups and the impact of Jewish ideas in Eastern Europe are considerable during the Middle Ages. Groups have been mentioned as migrating to Central Europe from the East often have been referred to as Khazars, thus making it impossible to overlook the possibility that they originated from within the former Khazar Empire.”

The Universal Jewish Encyclopedia “The primary meaning of Ashkenaz and Ashkenazim in the Hebrew is Germany and Germans. This may be due to the fact that the home of the ancient ancestors of the Germans in Media, which is the Biblical Ashkenaz.... Krauss is of the opinion that in the early medieval ages the Khazars were sometimes referred to as Ashkenazim.... **About 92 percent of all Jews or approximately 14,500,000 are Ashkenazim.**”

Well, if you are still with me here, I want to coerce you by force of logic to speculate a little about what you have just read.

In your opinion, based on what you already know about the Jews (real Jews) mentioned in the New Testament... what region were they dispersed to? Are they described in the Bible as being in Eastern Europe, Germany, Media, Turkey and Russia or are they described as being in Athens, Macedonia, Achaia^[3], Crete, Pamphilia, Rome and Gaul [France/Spain]? Which geographical area matches the Khazar-Ashkenazis of modern Judaica and which the Sephardim of Bible times? I hope you have not been so inundated by the constant flood of Jewish propaganda that you can't figure out who Jesus was talking about in Rev. 2:9 and 3:9 where He alludes to what some might call fake Jews!

Yes, Friend, by their own admission – they are not Semitic! This means that they couldn't possibly have one ounce of Jewish blood. The word 'Semite' comes from the name of one of Noah's sons... Shem. If these modern Jewish impostors are not of Semitic origin, of what origin are they? Noah had three sons when he came down off that mountain in Northern Turkey... Shem, Ham and Japheth. Tell me, Where did the Hamites migrate to? AFRICA, right? Now, if the Japhethites migrated toward Genghis Khan country (Middle and East Asia) where do you suppose the Shemites (Semitic Tribes) ended up? That's right, you got it. The Semitic peoples of the Old Testament are non other than our modern Sephardic Jews of the Mediterranean area! They are an extreme minority of professing Judaism today. As such they are heavily discriminated against as citizens of the new **Zionist** State of Israel. For example, their sons are not allowed to become Rabbis. A real Jew become a Rabbi? No way!

Why is all this important to a Christian? Hang in there a little longer and you will see, all too clearly, what these fake Jews are up to. Do you remember, above, how the **American Academic Encyclopedia** stated that political Zionism emerged from these Ashkenazi or fake Jews? Zionism, simply defined, is a political movement from the early 1800's with ideological roots dating back to the 6th century,

which advocates #1. A national homeland, for these liars, in Palestine (where the real Jews were annihilated by the Lord's instrument named Titus in 70 A.D.). #2 The gradual usurpation of all power; economic, political and religious in a Central World Government headquartered in Jerusalem (which will be the embodiment of that great Babylonian Millennial ideal the real Jews learned about in the captivity under Nebuchadnezzar).

Generally speaking, the Sephardim are not supporters of this Zionist plot to rule the world. That is why you see Sephardic Jewish communities in every Arab Country in the world. The Arabs simply have no problem with the Sephardic Jews because they know they are not a threat to their security or land... not so with these Turkic-Mongol Jews, who stole Palestine from the natives by force with absolutely no justification^[4] what so-ever! These deceptive haters of all that is truly Christian have been working relentlessly for centuries to subtly get Christians to accept them as real Jews and even to do their bidding in their quest to make us their little Judeo-Christian cousin slaves.

Infil-TRAITORS in Christian seminaries have been in-filling our preacher-boys for decades with this notion of Jewish rule over us during their millennium.... And now it is everywhere. They even have our Congressman and Senators^[5] so buffaloed (and most Presidents except Lincoln and Nixon) that we have been sending them nearly SIX BILLION DOLLARS each year in foreign aid... so that we Americans are actually picking up the tab for this pernicious plot that our God warns us about in the The Book of Revelation at 2:9 and 3:9.

I could go on like this for hour but I won't. What I want you to do is to start informing yourself more about this issue. Some will you as anti-Semite.... Ho Ho Ho, if this were true I would have to be against the Palestinians, Arabs and Sepahrdic Jews who all came out of the loins of Abraham and are true Semites.... But I am not! I am definitely anti-Zionist and proud of it! If you inform yourself and speak out they will call you a host of names including neo-Nazi, Skinhead and anti-Semite because in time you will discover that the so-called 'holocaust'

is largely a historical fantasy and constitutes the “**Greatest Hoax of the Twentieth Century**” which was concocted to get your tax dollars so those murdering squatters can ethnically cleanse the West Bank... and also because they think you will be scared by their intimidating tactics! It’s time for Christians to stand and be counted for the cause of Christ, whatever the cost.

[1] chil-i-asm (kile-azm)n. Theology. The doctrine stating that Jesus will reign on earth for 1,000 years.[New Latin chiliasmus, from Late Latin chilia, chiliad. See CHILIAD.]--chil'i'-ast' (-ast, -st). n. --chil'i'-as'tic adj.

[2] Bes-sa-ra-bi-a (bes-rabe-) A region of Moldavia and Western Ukraine. As the gateway from Russia into the Danube River valley, it was for centuries an invasion route from Asia to Europe. The region became part of Russia in 1812 but declared itself independent in 1918 and later voted for union with Romania, which was forced to cede it to the U.S.S.R. in 1940

[3] Achaia - A-cha-e-a (-ke) also A-cha-ia (-ki, -ka)An ancient region of southern Greece occupying the northern part of the Peloponnesus on the Gulf of Corinth. The cities of the region banded together in the early third century B.C. to form the Achaean League, which defeated Sparta but was eventually beaten by the Romans, who annexed Achaia in 146 B.C. and later gave the name to a province that included all of Greece south of Thessaly.

[4] The popular Fundamentalist misconception that the Land of Palestine was given by God to the Jews as a perpetual possession is dispelled by a proper reading of: [GAL 3:16 Now to Abraham and his seed were the promises made. He saith not, And to seeds, as of many; but as of one, And to thy seed, which is Christ.] Also see

:Philip Mauro’s “**The Gospel of the Kingdom**” on the internet.

[5] When this pamphlet was originally written in 1988 there were only a few Jews in Congress – Now there are 27 in the House and 10 in the Senate. Plus two Supreme Court Justices. There are 6,100,000 Jews of a total of 286,761,353 people in America. The math yields that 2.1% of Americans are Jewish yet their numbers have grown in the Congress to reflect a disproportionate number in the House 27 / 540 = **5%** ...and in the Senate 10 / 100 = **10%**. **These Jews are usually liberal left wing socialist types that want to spend your tax dollars supporting the State of Israel’s aggression against the lawful and historical natives of Palestine.**
